The idea economy is here®
Indianapolis appeals to both the scientific and corporate mindset. The Indiana University Medical Center nearby, and Purdue University's main campus in West Lafayette. Indianapolis has the second highest concentration of biopharmaceutical jobs, ranks among the top ten life sciences metros within the fast-growing logistics arena far above the national average. Indianapolis has the second highest concentration of biphaspharmaceutical jobs, ranks among the top ten largest life sciences economies.

With Indiana University-Purdue University at Indianapolis (IUPUI) and Purdue University's main campus in West Lafayette, Purdue Technology Center

The Purdue Research Park of Indianapolis brings the value of Purdue Research Park's internationally award-winning technology incubation program to Indiana's capital city. Strategically located on the city's southwest side near the Indianapolis International Airport, the flagship business accelerator at Purdue Research Park of Indianapolis combines a state-of-the-art office facility with resources and services proven to move emerging technology companies forward. An influx of innovation creates a thriving entrepreneurial community operating in the information technology, life sciences, advanced manufacturing, logistics and green technology arenas.

At the “Crossroads of America,” Central Indiana reports employment within the fast-growing logistics arena far above the national average. Indianapolis has the second highest concentration of biopharmaceutical jobs, ranks among the top ten largest life sciences economies.

The Purdue Research Park of Indianapolis appears to both the scientific and corporate mindset.

Services

We offer our clients several business incubation services, which are especially helpful early in the entrepreneurial process:

- Business accelerator services through Purdue Foundry
- Shared office services including professional receptionist/clerical support
- Meeting and conference management assistance
- Basic utilities and janitorial services
- Media relations and marketing assistance

Resources

We provide strategic networking opportunities that bring our clients together with important resources, many of which are not available to the general public. The resources are provided by:

- Purdue Office of Technology Commercialization
- Purdue Foundry
- AnVil
- Purdue University Technical Assistance Program
- Purdue University faculty and staff for R&D collaboration
- Interns from Indiana University-Purdue University Indianapolis (IUPUI) and Purdue University's main campus in West Lafayette

Financial Assistance

The Purdue Research Park staff assists clients by helping them locate sources of funding and by preparing clients to make their “ask.” We help match our client companies to the appropriate financial resources, including federal grants and R&D project funding (i.e., SBIR and STTR grants), state funding and other public programs, university and corporate foundations, equity sources and early-stage gap funds. Additionally, client companies may be listed with the P3Alliance (www.P3Alliance.com) – Purdue’s Angel investment network.

Affiliate Program

The Purdue Research Park of Indianapolis Affiliate Program gives eligible companies access to the park's resources, facilities and specialty services. Many of our affiliate companies are waiting for available incubation space.

Purdue Foundry

The Purdue Foundry is an entrepreneurship and commercialization hub in Discovery Park’s Burton D. Morgan Center for Entrepreneurship whose professionals help Purdue or Purdue-affiliated entrepreneurs create startups. Entrepreneurial professionals in the Foundry have a combined total of 150 years of entrepreneurial experience. These entrepreneurs-in-residence can provide startup guidance on a number of startup and business development ventures, including:

1. Business planning and development assistance.
2. Funding and commercialization activity.
3. Networking and pitching opportunities.
4. Ideation to refine ideas and potential markets.

The Purdue Foundry received the 2014 Incubator Network of the Year from the National Business Incubation Association for its work in entrepreneurship. For more information, contact the Purdue Foundry at foundry@prf.org.
